VF Boiler Model 2000 Availability

Please be advised the VF boiler models VW-2000 and VB-2000 are on hold effective immediately. This product hold only impacts the 2,000,000 BTU input models in the VF product line. All other VF model sizes are available for sale.

This boiler model is currently being reviewed by engineering. At this time we will not be accepting orders for the VW-2000 or VB-2000 models. If you have any upcoming jobs where this boiler is specified please contact Howard Holliman to discuss the job specifics and options.

We apologize for any inconvenience this may cause. As we continue to evaluate this model we will keep you informed of any changes in product availability. If you have any questions please contact Howard Holliman at 615.792.6376 or myself.
